## **BullShark™ SharkSkin SMS Coverall - Elastic Wrists & Ankles**

Introducing the BullShark SharkShield Coverall, expertly crafted from premium SMS Polypropylene fabric. This advanced material combines the strength and durability of spunbond layers with the intricate filtration capabilities of meltblown fibers, providing a formidable barrier against contaminants. Ideal for environments that demand robust protective measures, the coverall ensures high breathability and comfort. Whether you're in healthcare, manufacturing, or chemical handling, the BullShark SharkShield Coverall offers enhanced protection without sacrificing flexibility and ease of movement. Equip yourself with the ultimate in safety apparel and stay protected with BullShark.
