8' & 10' Loading Dock Gates

Fabenco

by Tractel®

ITEM #	OPENING	UOM
FABDG1496PC	8'	EACH
FABDG14120PC	10'	EACH

Product Description

The Dock Gate provides protection against falls from loading docks. Custom gas struts make the vertical gate easy to open, and tapered guides on the receiver post make for easy alignment when closing. The Dock Gate is available in 8' and 10' widths. It takes up minimal space and is easy to install using basic tools.

Features

- The Dock Gate is available in 8' and 10' widths
- Takes up minimal space
- Easy to install using basic tools
- Custom gas struts make the vertical gate easy to open
- Tapered guides on the receiver post make for easy alignment when closing
