Double Eyewash Stations

Honeywell

ITEM

FEN462

UOM

1 DOUBLE STATION

Product Description

This sturdy, highly visible eyewash wall station mounts conveniently in hazard areas for emergency flushing. Easy to read pictorial instructions on front panel. Ready for immediate use, includes two 32 oz. squeeze bottles filled with buffered isotonic Eyesaline® solution. High impact plastic construction, mounts easily with hardware.

Features

- Durable high impact plastic wall mount
- Includes two 32 oz. squeeze bottles of Eyesaline® solution
- Isotonic Eyesaline® solution helps relieve irritation, burning and itching by removing loose, foreign materials, chlorinated water, smog or pollen
- Blow-fill seal bottles are tamper resistant, yet easily removed in an emergency
- Extended flow opening provides longer flow rate than conventional bottles

Application's / Industry

- Battery Charging Facilities
- Petroleum Industry
- Pulp & Paper Industry
- Bleach Manufacturing
- Textile Industry
- Chemical Plants
- Detergent & Soap Industry
- Aluminum Manufacturing
