Non-NIOSH Approved Nuisance Dust Mask

ITEM

GER1501

UOM

50/BOX

Product Description

The Gerson 1501 nuisance dust mask reduces the irritating effects from non-toxic particles such as pollen, common household dust and cut grass. An adjustable nosepiece is included in the design for a comfortable, snug wear. The 1501 is also non-collapsible while also resisting heat and humidity. Not a respirator.

Features

- For comfort relief from common household dusts only, such as grass and pollen
- Reduces irritating effects from non-toxic particles
- Does NOT provide lung protection
- Adjustable nosepiece for snug wear
- Non collapsible and heat and humidity resistant

These respirators help reduce exposures to certain airborne contaminants. Before use, the wearer must read and understand the User Instructions provided as a part of the product packaging. In the U.S., a written respiratory protection program must be implemented meeting all the requirements of OSHA 1910.134 including training, fit testing and medical evaluation. Misuse may result in sickness or death. For proper use, see package instructions, supervisor, or call Ritz Safety at 1-800-451-3077.
