Portable, Gravity-Fed Eyewash

ITEM

HAW7501

COLOR

GREEN

Product Description

This compact, portable eyewash is ideal for remote locations. Using gravity to supply a continuous flow of clean water to injured personnel for a full 15 minutes at .4 gpm (1.5 L), this model is a reliable source for safety. With its full patterned flushing feature, those working in remote areas can't help but feel confident with this piece of emergency equipment day after day.

Features

- Featuring an FDA approved high-density green polyethylene tank easily activated by pulling the yellow activation arm down to the open position
- A wide-fill opening with threaded cap permits easy inspection, cleaning and filling
- Relocation is simple due to the easily mounted bracket (included) and light design of this 9-gallon (34.1 L) portable eyewash

Application's / Industry

- Battery Charging Facilities
- Petroleum Industry
- Pulp & Paper Industry
- Bleach Manufacturing
- Textile Industry
- Chemical Plants
- Detergent & Soap Industry
- Aluminum Manufacturing
