Product Description

HexArmor® Chrome Series® gloves are built for a wide array of applications. With over 14 styles and various features such as impact protection, an abrasion-resistant knuckle patch, or a PVC printed palm, you can be confident that the Chrome Series® will keep your hands protected in any hazardous condition. Our Chrome Core™ gloves were designed with comfort in mind, providing unsurpassed dexterity while maintaining industry leading cut resistance.

Features

- SuperFabric® brand material palm provides ANSI/ISEA level A8 cut resistance for some of the highest cut-resistance available in the industry
- Advanced HexVent® technology allows for a breathable heat-release system
- Printed PVC synthetic leather palm provides reliable grip in dry or light oil situations
- Superior back-of-hand impact protection system utilizes an advanced design to dissipate forceful blows over a large area. Reinforced index finger and thumb crotch extends glove life.
- Hi-viz color scheme increases visual awareness
