18" PVC Cone, 3 Lbs.

ITEM

JBCTC18

COLOR

ORANGE

Product Description

JBC PVC injection molded cone has a one piece design, superior durability and superior flexibility compared to “flow molded” cones resulting in a more durable cone that will stand up to the challenges of adverse road conditions.

Features

- Indented handle for easier pick up by hand
- Indented handle notch allows user to attach caution tapes, chains, cone bars or other accessories around the notch.
- 100% PVC injection molded construction is durable and flexible. Able to fully self correct into original shape after being crushed.
- Patented interlocking base won't separate from the body even under extreme stress such as being run over by a vehicle

Application's / Industry

- Highway Workers
- Street Construction
- Traffic Direction
- Public Service
