DAX Helmet Hard Hats

ITEM #	UOM	COLOR
LIFHDF15NG	EACH	NATURAL

Product Description

The DAX Hard Hat is a full brim, fiber reinforced resin hard hat offering a 6 point suspension system for superior comfort and impact protection. It features an innovative Clarino® synthetic leather comfort dome and an over-sized ratcheting fitment dial that makes adjustment easy even while wearing gloves.

Features

- Fiber reinforced resin shell for superior impact protection
- Brim grip, exclusive design provides a secure feel
- Perforated Clarino® synthetic leather comfort dome with molded EVA foam insert for additional shock absorbing protection to the top of head
- Oversized ratcheting fitment dial to adjust size, easy to grip and use with gloves on
- Moisture-wicking foam backed microfiber liner reduces sweat build-up
- 6 point suspension system for a secure, comfortable fit
- Triple reinforced crown for superior impact protection

Application's / Industry

- Welding Operations
- Electric/utilities
- General industry and manufacturing
- Construction
- Oil, gas and petrochemical
