1" Aluminum Lockout Hasp with 12" Chain

ITEM #	UOM
NIARAE60CHAIN	Each

Product Description

Lockout Hasps are integral to a successful safety lockout program or procedure as they can provide effective multi-person lockout. Multiple padlocks can be applied to Lockout Hasps which allows an energy source to be isolated by more than one worker. This means that the energy source is completely locked out and can't be operated until each worker unlocks their padlock from the hasp.

Specifications

- Features polyester coated aluminum material and has a 1" closed hasp
- Polyester coated aluminum
- Hasp = 1" closed
