BullShark™ Top Grain Goat Leather Mechanic Gloves

BullShark™ Top Grain Goatskin Double Palm Leather Mechanic Gloves offer superior durability and comfort. Crafted from top grain goatskin, these gloves provide exceptional softness and flexibility, enhancing dexterity for intricate tasks. The double palm design adds an extra layer of leather, increasing resistance to wear and providing robust protection against abrasion and punctures, making them ideal for mechanics and other heavy-duty applications.

SEWN WITH
Kevlar.

PRODUCT FEATURES

- Made of grain goatskin leather
- Spandex back for a great fit
- Kevlar stitching enhances durability
- Keystone thumb for natural grip and fitting
- Double palm design adds an extra layer of leather

Goatskin is naturally water-resistant and abrasion-resistant, providing excellent protection for the hands in various working conditions. The natural lanolin in the goatskin helps keep the gloves soft and supple, even after repeated use, ensuring long-lasting comfort and dexterity.
