

BullShark™ Hi-Viz Double Palm Mechanics Glove

SEWN WITH
Kevlar.

DESCRIPTION & FEATURES

The BullShark™ Hi-Viz Double Palm Mechanics Glove - the ultimate combination of comfort, durability, and visibility! Crafted from premium goat grain leather, these gloves are designed to withstand even the toughest of jobs.

Featuring a double palm design, these gloves offer maximum protection and longevity, ensuring that you can work for longer without worrying about wear and tear. The inside Kevlar lining adds an extra layer of protection (ANSI A5 Cut Level), while the back fabric ensures breathability and comfort. The elastic wrist cuff and rubber Velcro wrist strap ensure a snug and secure fit, so you can work with confidence and ease.

Whether you're a professional mechanic or just someone who loves working with their hands don't compromise on quality - get your hands on a pair today and experience the difference for yourself!
