6' SHOCK PACK LANYARD W/ SNAP HOOKS

6' Shock pack Lanyard w/ Snap Hooks – the ultimate safety solution for your high-risk work environment. This innovative product is designed to keep you safe while you work, providing you with the peace of mind you need to focus on the task at hand. Crafted from high-quality webbing, this lanyard comes equipped with an energy absorber. This lanyard is built to withstand even the toughest of conditions. This lanyard is comfortable to wear for extended periods of time. Whether you're working at height, in construction, or in any other high-risk industry.

FEATURES

- Equipped with an energy absorber that is capable of reducing the impact in the event of a fall
- Steel snap hooks on both ends ensure you are always securely fastened to your anchorage while exposed to a fall.
- The finish adds an extra layer of durability, ensuring that the lanyard remains in top condition even after prolonged use
- The stitching thread further enhances the strength and resilience of the lanyard
- This lanyard is comfortable to wear for extended periods of time
- Tested for static and dynamic strength

STANDARDS

Tested as per ANSI Z359.13-2013
