BullShark™ Standard Split/Grain Leather Driver Gloves

The BullShark™ Standard Split/Grain Driver Leather Gloves are designed for durability and comfort, making them suitable for a variety of tasks where hand protection is essential. These gloves feature a combination of split leather and grain leather construction: the back is typically made from split leather which offers breathability and flexibility, while the palm is crafted from grain leather for its superior durability and excellent grip.

PRODUCT FEATURES

- Made of standard split and grain cowhide leather
- Shirred elastic wrist, and a keystone thumb for the highest range of motion and comfort
- Cowhide is comfortable, durable, breathable and offers excellent abrasion resistance
