RED COMFORT HARNESS/ POSITION BELT

The Ritz Fall Protection Red Comfort Harness/Position Belt is the ultimate choice for individuals who demand both performance and comfort from their fall protection gear. This harness can withstand heavy loads and pressure. Engineered with the highest quality materials and innovative design features, our safety harness is the perfect solution for those who work in high-risk environments.

FEATURES

- One dorsal attachment D-ring for fall arrest that keeps you safe from any falls or accidents
- 2 D-rings at the waist level for positioning
- Adjustable shoulder straps that can be tailored to your body shape and size
- Adjustable chest straps that allow you to adjust the harness to your chest size and shape
- Adjustable grommeted leg straps provide the ability to adjust the harness to your leg size and shape
- Polyester stitching thread that ensures the harness stays in shape and doesn't fray
- Finish that is corrosion-resistant and last longer
