Product Description

Rebar caps are great for minimizing the risk for accidents involving people or equipment when working around rebar, pipes, and bolts. The bright orange or yellow color makes them easily visible and this item is weather resistant, allowing it to be used over and over again.

Features

- Reusable
- Weather resistant
- Brightly colored for easy visibility
- Covers contain steel plate, which provides additional protection against falls that occur from an angle
- Made of engineered high-impact plastic
- OSHA-Approved Rebar Caps: RTZHMM & RTZPC110
