DESCRIPTION & FEATURES

The BullShark™ 10 Pocket Leather Nail and Tool Pouch is a durable and versatile tool accessory designed for convenient tool storage. Made from top grain black smooth leather with a thickness of 2.4mm, it ensures strength and longevity. The pouch has a height of 12.5 inches and a width of 9.5 inches, providing ample space for tools.

Featuring 10 pockets, a hammer holder, tape holder, and 2 web belt hangings, this pouch offers various storage options for organizing tools. The first pocket includes a polyester Velcro flap and phone slot, while a heavy nylon web belt handle allows for easy one-hand carrying. It also has a 2"-3" inch slot at the back for belt insertion.

The pouch is reinforced with double stitching using yellow 9-ply thread, providing durability. It includes solid metal rivets with washers on each stress point, ensuring a strong and secure construction. With its black-plated metal rivets and nickel-plated metal tape holder, this pouch offers both functionality and reliability.
