

RTZTQ30

TORQ 30' RETRACTABLE W/SNAP HOOK - CLASS 1

The Ritz Fall Protection Torq 30' Retractable with Snap Hook is a cutting-edge solution for fall protection. Equipped with an Aluminum Swivel Top, Spring Loaded Rubber Handle, and Internal Shock Absorbing System, the Torq ensures top-notch safety. Ideal for those working at heights, Torq offers secure fall protection, preventing cable lock-up with its advanced design. It comes with one steel carabiner.

FEATURES

- Designed with an integrated shock absorber and energy-absorbing components to reduce impact forces in a fall.
- Features a 30 ft. (9.1 meters) galvanized steel cable lifeline, providing ample working range.
- The galvanized steel cable (3/16" diameter) is designed to offer high strength, durability, and resistance to abrasion and corrosion.
- Housed in a high-impact-resistant thermoplastic or aluminum housing, providing durability and protection for the internal components from damage.
- The device features a robust internal braking system that automatically locks and arrests the fall within inches, minimizing the risk of injury to the worker.
- The assembly is designed to support a user weight capacity of up to 420lbs including clothing, tools, and other equipment.
- Swivel anchorage connection, allowing for increased mobility and reducing lifeline twisting during use.

TECH SPECS

Cable Material	3/16" Galvanized Steel
Cable Length	30 ft
Lifeline Connector	Steel Snap Hook
Anchorage Connector	Steel Swivel Anchorage Eye
Min. Breaking Strength	3400 lbs (1542 kg)
ANSI User Capacity	130 lbs - 310 lbs / OSHA 420lbs
ANSI SRL Class	CLASS 1
Casing Material	Thermoplastic

STANDARDS

Meets or exceeds the applicable industry standards, such as ANSI/ASSP Z359.14-2021, OSHA and CSA requirements, ensuring its quality and performance in fall protection applications.
