

RTZW16S

6' SRL W/STEEL SNAP HOOK & WEBBING LIFELINE

The Ritz Fall Protection 6' SRL with Steel Snap Hook & Webbing Lifeline, the lightest available SRL in its range/class. Our product is designed to provide the ultimate safety and protection to workers who are involved in high-risk tasks. One of the key benefits of our SRL is its dynamic strength performance. In addition to its superior safety features, the lifeline is also incredibly user-friendly.

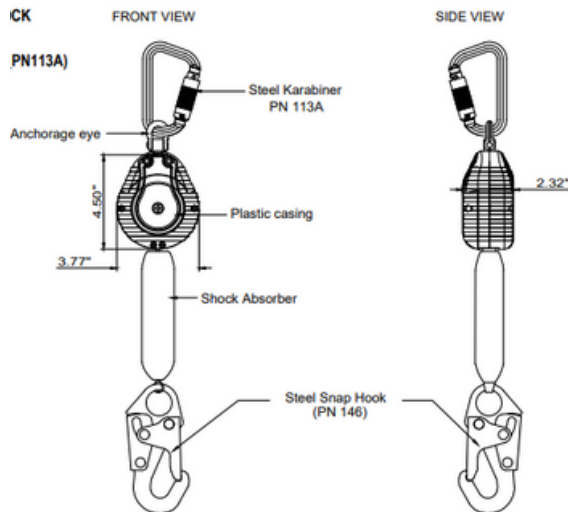

FEATURES

- Lightweight design makes it easy to carry and use
- Compact size allows for easy storage and transport
- Robust and durable plastic casing is built to last and withstand tough conditions
- Features webbing with energy absorber, which is capable of effectively reducing the force of a fall
- SRL comes equipped with a quarter-turn locking carabiner at the top
- Equipped scaffold hook at the bottom end
